The Southwest Project Newsletter 8 Weeks to Go

This will be a standard week as we continue to deal with the heat mother nature is providing us. Make sure you are hydrating throughout the day, not just when you feel thirsty. The best way to keep in touch is to sign up for Remind (Text [@bvswxc22](https://www.remind.com/join/bvswxc22) to the number 81010). “When” changes to our schedule happen, it will be sent through remind & email. You can also follow us on Twitter & Instagram ([@BVSWDistance](https://www.instagram.com/BVSWDistance)) where I will send out cool information throughout the season.

I have updated the BVSX XC Website check it out! <https://ajballew.wixsite.com/bvswxc>

Sign up for NEW Remind 101

Use the link here (<https://www.remind.com/join/bvswxc22>) or Text “**@bvswxc22**” to the number 81010
We will use this mainly for quick updates especially about weather cancelations or changes to the schedule

Weather & Cancellation Procedure

Unfortunately, weather is always a possible issue throughout the summer. We want to run even if it is raining but NOT if there is lightning in the area. We will send out messages through Remind, Email, & posts on social media (Twitter & Instagram [@BVSWDistance](https://www.instagram.com/BVSWDistance)) to let you know if we cancel or move practice.

Signing up & using Strava (Online Training Notebook)

If you haven’t signed up for Strava yet, please do so. It is our way of logging miles for the summer challenges. You do not need a GPS watch to use it. Runs can be put in manually. Just sign up for a free account & join the Southwest Project Track Club Group. Here are some links that could help.
