

SOUTHWEST PROJECT

XC Week

1

The Southwest Project Weekly Newsletter

One more week before Cross Country officially begins. Make sure you are ready to go on that first day & good luck as we begin our official season. The best way to keep in touch is to sign up for Remind (Text @bvs wxc2 to the number 81010). "When" changes to our schedule happen it will be sent through remind & email. You can also follow on Twitter & Instagram (@BVSWDistance) where I will send out cool information about the season.

Things for this week

Official Practice Begins Monday August 17th

Cross Country & Fall sports officially begin Monday, August 17th. We will have many new rules in place & it will be a little strange without school starting until September. We will do our best to make this a fun but safe environment for the athletes. We cannot always control the situations we are put into, but we can control how we react to them.

Get your physical in before the first day of practice!

You will not be able to practice with the team if you haven't turned in your physical into the athletic office by Monday August 17th (First day of practice). Check out the school's athletic website for paperwork details. There is an additional COVID sheet that needs to be filled out too.

Parent ZOOM Meeting August 16th

We are having a Parent meeting THROUGH ZOOM at 6:30pm on Sunday August 16th. We will go over expectations for the season, the changes from COVID and what this may mean for booster club business. It would be beneficial for all parents to attend. If you cannot make it check out the Booster Club page on the XC website below. I will try and record the meeting & post it up on our website.

We WILL have Spiritware... at some point

We will have a spiritware order Online. I am working with Mrs. Fine through the Den to set up an order. We will send that information out to you all as soon as it is available. We are going to purchase a team T-shirt for each athlete on the team to wear at meets for warmups, cooldowns, & award presentations.

NEW Practice protocol Starting August 17th

Since we will not have school for the first 3 weeks of Cross Country practice, we will meet in the morning at the typical Summer practice time of 6:30am at our typical practice venues we use during the school year.

Additional

- Meet at venue in mask
- Attendance & temperature will be taken as the athlete arrives
- Athletes need to bring their phone to scan the QR code for attendance
- Spread out 6ft apart for team updates/meeting
- Athletes NEED to bring their own filled water bottle
- Masks can only be removed DURING running, then put back on after completion of the workout
- Athletes will be grouped by Gender & "rough" ability to keep close interactions to a minimum
 - Black Group – Experienced Distance Runners
 - Green Group – Experienced Mid-Distance Runners
 - Gray Group – Developing Athletes
 - White Group – New to Running

When school begins, we will make additional modifications when it comes to meeting & transportation.
